

## **Selk'Bag Sizing - Kids**

Please note, Selk'bag Kids models are intended for children ages 7 years and older.

A proper fit is essential to fully enjoying all the Selk'bag has to offer and for ensuring the safety of your child. A bag that is too large for your child can represent a tripping risk when your child attempts to walk in the bag. ***Please take the time to ensure a proper fit for your child.***

Please note, that the sizing recommendations are meant for children of average weight as sizing is impacted by user weight. For example, a Selk'bag will fit a child of below average weight with a taller frame, similar to a child of average weight and a shorter frame. Likewise, a person of above average weight will require a bag meant for someone taller.
